*CSUA Seizes Innovation Opportunities Presented by Dynamic National Urology Platform Caring for More than One-Half Million Patients*

FORT LAUDERDALE (November 15, 2021) – [Solaris Health Holdings](#) announced today that [Colorado Springs Urological Associates](#) (CSUA), serving Colorado Springs, CO, and the surrounding area, has entered into a definitive agreement to join as an affiliate practice. Terms have not been disclosed.

The agreement with CSUA extends the reach of the national Solaris platform to the Mountain West. Solaris is the nation’s leading provider of independent urological services. CSUA will become the fifth urology practice this year to join Solaris.

CSUA is a union of two patient-centric, top-rated urological practices, tracing its roots back 50 years. The deal is expected to close in Q4 of 2021.

“We welcome CSUA as a practice that shares our vision to develop a national practice predicated on clinical excellence and business best practices,” stated Solaris Chairman and Chief Ecosystem Officer [Deepak A. Kapoor, MD](#). Solaris President, [Gary M. Kirsh, MD](#) added, “By choosing to scale nationally, CSUA physicians will maintain their high standards of patient care and gain access to the resources needed to successfully navigate an increasingly complex and consolidated health care system.”

CSUA Market President [Jeffrey Moody, MD](#) announced, “The doctors and staff of Colorado Springs Urological Associates are excited about our new partnership with Solaris Health. This brings an entirely new dimension of care, access, service, and technology to southern Colorado urology. We are thrilled to continue to advance the care we provide our community.”

[Jeffrey Ferguson, MD](#), CSUA Director of Business Development and Strategy, added, “This partnership will give our team access to a national urology platform with expertise in clinical care and practice management and help us improve the service we provide to our patients and our community.” Dr. Ferguson will serve on the Solaris Board of Directors.

“The addition of Colorado Springs Urological Associates demonstrates that the appeal of our platform is not constrained by geography and represents a significant boost to the momentum we are building for even greater expansion,” said [Eric Mason, MD, MBA](#), Solaris Health CEO.

McDermott Will & Emery LLP served as legal counsel to Solaris. Physician Growth Partners acted as exclusive financial advisor to CSUA and Lathrop GPM LLP served as legal counsel to CSUA.
