FORT LAUDERDALE (September 6, 2022) – [Solaris Health Holdings](#) announced today that [Urology Associates](#), one of Central Indiana’s urology services leaders, has joined Solaris as an affiliate practice. Terms have not been disclosed.

Urology Associates becomes the newest member of the Solaris team and will operate as a division of [The Urology Group](#), Cincinnati. The addition of Urology Associates means that Solaris, the nation’s leading provider of urological services, now comprises 509 providers and serves 744,000 unique annual patients.
