*Flint, Michigan Practice Now Affiliated with Leading National Urological Healthcare Management Company*

FORT LAUDERDALE (May 1, 2024) – [Solaris Health Holdings](#) announced today that Urological Services, of Flint, MI, has joined as an affiliate. Terms have not been disclosed.

Urological Services brings to Solaris the skills and talents of 10 providers who care for over 18,000 unique patients each year. Solaris is a national healthcare management company that is predicated on advancing clinical excellence and business best practices in the urological field. The urology practices that join Solaris are choosing to scale nationally and to maintain the highest standards of patient care. “Partnering with Solaris will expand our capacity to offer a full suite of urologic services, while preserving our autonomy,” said Dr. Jason Evans, Market President at Urological Services. “This decision strengthens our commitment to clinical excellence and treating patients with compassion, mutual respect and trust,” Dr. Evans said.

Holland & Knight LLP served as legal counsel to Solaris on the Urological Services deal. Dykema Gossett PLLC served as legal counsel to Urological Services. Edgemont Partners served as financial advisors to Urological Services.
